Announcement of Product Change Notification

This letter informs you that Belden plans to execute a Product Change (PCN) process for select Hirschmann branded connector products.

Please don't hesitate to contact Belden representatives with any questions or concerns.

PCN No: 22052024 PCN- Polybag 2024
Customer: All customers who purchase molded GAN connectors
Change Title: CZ Polybag 2024
Product Category: Valve, MAS | MAK, G series

Change Classification: Minor Major
 Change Item: Design Raw Material Packaging Firmware Others

Reason:

Streamlined packaging process across all production cells.

Change Description:

The change includes an update from a transparent polybag to a semi-transparent milky polybag. Also, the polybag dimensions will change from 168x120mm to 170x135mm.

Implementation Plan:

Effective: July 1, 2024

Impact of Change:

The change has little effect on any customer who currently purchases these affected products. The new polybag color and larger surface area will allow for improvements print legend for better legibility.

Fit: No change | **Form:** No change | **Function:** No Change | **Reliability:** No Change | **Others:** aesthetic: polybag

**Warranty Information:**

The normal warranty conditions apply to all products delivered up to the last delivery date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit www.belden.com.

Individual contracts that are in effect and in effect prior to the date of the announcement of the discontinuation regarding product availability, warranty and support agreements will continue to be fulfilled according to the terms of this contract.

If you have any questions about the selection of alternative products or require assistance, please contact your Belden Sales Representative (International Contact Information)

Comments:

Please send you or your customer comments or requests for additional information to the contact listed on the form.

Actions:

Please forward this important information to your customers. Also, please inform your purchasing, development, product departments, and other responsible persons effected by the product change.

Distributors are advised to forward this information to their customers who are buying the listed products.
