

**Product:** [12V DC POWER SUPPLY DC](#) 

## Product Description

230 VAC to 12 VDC Power Adapter with 5.5/ DC plug. Compatible with EMEA compact Environmental Monitor Systems.

## Technical Specifications

### Application

|                      |                                                                            |
|----------------------|----------------------------------------------------------------------------|
| Product Overview:    | 12V Power adapter compatible with environmental monitoring device EVM-xGCU |
| Environmental Space: | Indoor                                                                     |

### Construction and Dimensions

|                 |         |
|-----------------|---------|
| Overall Height: | 32.6 mm |
| Overall Width:  | 44.9 mm |
| Overall Length: | 94.9 mm |

### Mechanical Construction

|                  |                                          |
|------------------|------------------------------------------|
| Appliance Inlet: | C14 (230V AC) Power Cord sold separately |
|------------------|------------------------------------------|

### Environmental and Overall Characteristics

|        |       |
|--------|-------|
| Color: | Black |
|--------|-------|

### Standards

|                                   |                    |
|-----------------------------------|--------------------|
| EU CE Mark:                       | Yes                |
| EU Directive 2011/65/EU (RoHS 2): | Compliant          |
| CENELEC Compliance:               | EN 55032, EN 62368 |
| UL Listed:                        | No                 |

### Related Part Numbers

|                 |                                                                                                                                              |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Included Parts: | 230VAC / 12VDC power adapter. (Power cord not included)                                                                                      |
| Packaging:      | Individually packaged                                                                                                                        |
| Notes:          | For more detailed technical data, check [DOWNLOADS]. Power cord is not included. To select suitable power cord selection check RELATED ITEMS |
