Width:	5.905 in
Length:	2.519 in

Product Material

Materials

Material
Mild steel gold passivated finish

Related Part Numbers

Variants

Item #	Color	Length
FRTM2	Metallic	2.519 in

Product Notes

Notes:	This mitre box is a simple mechanical means of preparing a shortened length of 30 and 50mm duct for connection to another standard part. e.g. elbow, cross connector, etc. The mitre box ensures that a true 90-degree cut is achieved with a panel saw on each of these duct sizes.
