

Product: [SMOKE SENSOR](#)

EVM-SDSM

Product Description

EMEA PDU compatable Smoke detector

Technical Specifications

Application

Suitable Applications:	Detection of smoke presence in the environment. When smoke paricles in the air exceed a certain threshold, the detector triggers an alert by sending a signal to the monitoring system, indicating a potential fir risk. This enables early warning and the implementation of safety measures.
Product Overview:	Dry contact Door sensor, compatible with the monitored models of EMEA's Performance line PDU's. Connection to PDU via a dry contact module (not included)
Environmental Space:	Indoor

Environmental and Overall Characteristics

Color:	White
