Belden SecurePatch Accessories

Product Description

SecurePatch Accessories

Technical Specifications

Application

Product Overview:	Connecting Brackets enables 11U/22U units to be connected in any combination while allowing patch cord pass through from one unit to another. Quarter-turn with 3 number combination locks available. Adjustment plates for front and rear rack installation encloses the gap between two SecurePatch covers installed back to back on a 3" deep equipment Rack. When the adjustment plates are installed, inside usable mounting space is reduced by 2U.
