

Product: [XHS Series Top Panel Options](#)

XHS Series Top Panel

Product Description

XHS Series Top Panel Individual Components Ordering Options

Technical Drawing

Technical Specifications

Application

Product Overview:	These individual component ordering options are available as an ala carte option for customers that have existing XH Series Belden Cabinets and would like to replace an item, or want to add an additional item. These component selections are not meant to serve as an individual item selection to create a complete cabinet. If you would like to configure a cabinet for a BOM, please go to the cabinet configurator section of the online catalog that is titled "Need a custom configured product?" or do a search in the search bar for the cabinet series you are looking for to see the selection of compatible items available.
Environmental Space:	Indoor

Environmental and Overall Characteristics

Finish:	Medium Texture Powder Coat
Material:	Steel

Related Part Numbers

Packaging:	If ordered with a cabinet, Top panel will be installed. If ordered separately, product will be packaged and shipped.
